『再帰代名詞』・・・ “ ~self ” という形で「 ~自身」という意味を持つ。

They introduced themselves at the meeting .

I enjoyed myself at the party .

She made this cookie herself .

She herself made this cookie .

She made this cookie by herself .

I     myself	You    yourself	He     himself	She    herself	It     itself
We    ourselves	You    yourselves	They   themselves		

「再帰代名詞」は『代名詞』というよりも、“強調”という『副詞的』な働きもしている。  
 「再帰代名詞」が文末に単独で使われている場合は主語を強調して「その人が」という意味になるが、“by + 再帰代名詞”となると“alone”と同義の「単独で」という意味にもなる。
