

## 受動態の発展 - 8

『進行形 + 受動態』

The car is being cleaned now by him .

A festival was being held then in that town .

That building is being destroyed now by Dozilla .

『進行形 ; be + 動詞 ing 』と『受動態 ; be + 過去分詞』が合体すると『be + being + 過去分詞』という形になり、「～されているところ」という意味になる。  
この表現は受動態以上に時間が強調されるため「now」などの時間表現が前に来る。
