

## 副詞節 - 5

『従属接続詞』・・・ “ though ~ ”

Ken came to school though he had a cold .

Though Ken had a cold , he came to school .

Though he had a cold , Ken came to school .

Ken had a cold , but he came to school .

“ though ” は「 ~ だけれども」「 ~ だが」と“ 逆接 ”の意味をもつ『従属接続詞』である。それに対して “ but ” は「 ~ だ。しかし ~ 」という逆接の『等位接続詞』なので、必ず二つの文の間に置かれるので絶対に文の先頭に置かれることはない。  
接続詞の “ though ” は < 複文 > を作り、接続詞の “ but ” は < 重文 > を作る。

1 , 次の二つの英文を、接続詞 “ though ” を使って一つの文にしなさい。

Betty is very cute . But everyone doesn't like her .

.....

Nancy is sick in bed . But she will come to the party .

.....

I had little time then . But I was washing my car .

.....

It was rainy yesterday . But we played soccer on the ground .

.....

He studied very hard . But he couldn't pass the examination .

.....
